## Práticas avaliadas

| Prática               | Veredito | Elementos | Descrição                                                                                              |
|-----------------------|----------|-----------|--------------------------------------------------------------------------------------------------------|
| titleOk               | passed   | 1         | The `title` element exists and it's not empty ("").                                                    |
| lang                  | passed   | 1         | The `lang` attribute exists and has a value.                                                           |
| buttonAccessibleName  | passed   | 1         | The test target has an accessible name.                                                                |
| buttonAccessibleName  | passed   | 1         | The test target has an accessible name.                                                                |
| linkNotAccessibleName | failed   | 1         | The test target doesn't have an accessible name, or it's empty ("").                                   |
| elementNotFocusable   | passed   | 1         | The test target is not focusable.                                                                      |
| aSameText             | warning  | 2         | The `links` with the same accessible name have different content. Verify is the content is equivalent. |
| aSameText             | warning  | 2         | The `links` with the same accessible name have different content. Verify is the content is equivalent. |
| aSameText             | warning  | 2         | The `links` with the same accessible name have different content. Verify is the content is equivalent. |
| aSameText             | warning  | 2         | The `links` with the same accessible name have different content. Verify is the content is equivalent. |

| Prática                | Veredito | Elementos | Descrição                                                                                                           |
|------------------------|----------|-----------|---------------------------------------------------------------------------------------------------------------------|
| linkIdentA<br>Name     | passed   | 3         | The `links` with the same accessible name have equal content.                                                       |
| linkIdentA<br>Name     | passed   | 2         | The `links` with the same accessible name have equal content.                                                       |
| linkIdentA<br>Name     | passed   | 2         | The `links` with the same accessible name have equal content.                                                       |
| linkIdentA<br>Name     | passed   | 2         | The `links` with the same accessible name have equal content.                                                       |
| inputLabel             | passed   | 1         | The test target has an accessible name.                                                                             |
| roleValid              | passed   | 1         | The test target has a valid `role` attribute.                                                                       |
| roleValid              | passed   | 1         | The test target has a valid `role` attribute.                                                                       |
| roleValid              | passed   | 1         | The test target has a valid `role` attribute.                                                                       |
| roleValid              | passed   | 1         | The test target has a valid `role` attribute.                                                                       |
| imgAltNo               | failed   | 1         | The test target doesn't have an accessible name.                                                                    |
| imgAltNo               | failed   | 1         | The test target doesn't have an accessible name.                                                                    |
| iframeTitl<br>eNo      | failed   | 1         | The test target accessible name doesn't exist or it's empty ("").                                                   |
| iframeNegT<br>abIndex  | passed   | 1         | The nested browsing context does not include elements that are visible and part of the sequential focus navigation. |
| hxHasAName             | passed   | 1         | The test target has a non-empty accessible name.                                                                    |
| hxHasAName             | passed   | 1         | The test target has a non-empty accessible name.                                                                    |
| hxHasAName             | passed   | 1         | The test target has a non-empty accessible name.                                                                    |
| hxHasAName             | passed   | 1         | The test target has a non-empty accessible name.                                                                    |
| hxHasAName             | passed   | 1         | The test target has a non-empty accessible name.                                                                    |
| hxHasAName             | passed   | 1         | The test target has a non-empty accessible name.                                                                    |
| hxHasAName             | passed   | 1         | The test target has a non-empty accessible name.                                                                    |
| tableHdr               | passed   | 1         | The column header element has at least one assigned cell.                                                           |
| tableHdr               | passed   | 1         | The column header element has at least one assigned cell.                                                           |
| tableHdr               | passed   | 1         | The column header element has at least one assigned cell.                                                           |
| tableHdr               | passed   | 1         | The column header element has at least one assigned cell.                                                           |
| elementHid<br>denFocus | passed   | 1         | The test target is not in the accessibility tree.                                                                   |
